

Springfield Community Players presents A Variety Show fundraiser.

Over the past 12 months the Springfield Community Players have spent many hours writing grants and designing fundraisers in preparation for some major improvements to the studio building. These grants are essential to cover overhead costs. These expenses include everything from social media advertising, lighting, sound systems, air-conditioning, costume design, signage, set supplies, and much more. While there have been many changes already, the Springfield Community Players must continue their efforts in raise awareness and passion for the arts and they must continue to draw in local talent in order to keep the studio doors open. With so many improvements, there are still more to come!

Please join the Springfield Community Players by purchasing a ticket to their September 8th Variety Show.
