

Players Conclude 99th Season with *Hotel Anonymous*

By Taryn Sidney

Have you ever wondered what it would be like for reality television to take on Vermont? Or what happens when no one knows each other until one of their own has been murdered? This November, the Springfield Community Players will be performing their second "Original Script" of the season with *Hotel Anonymous*. Taking place in the fictional Vermont town of Post, *Hotel Anonymous* is a hilarious romp about what happens when reality television makes its way into Vermont. In this story, our characters assume an identity of their choosing and everybody remains "anonymous" until something happens to one of their own, murder!

Hotel Anonymous is an original murder mystery

written by Springfield Community Players veteran Andrew Freeman. With the help of grant money from Ben & Jerry's, Freeman will be able to bring his vision to the stage! In the past, Freeman has provided his talents as an actor to shows such as *Vanya and Sonia and Mascha and Spike*, *The Drowsy Chaperone*, and *The Boys Next Door*. This will be Freeman's first original script to be performed by the Springfield Community Players. Additionally, Freeman will be working closely with Springfield

Community Players president, John MacDonald, to bring this vision to life.

The *Hotel Anonymous* cast includes a number of returning actors and a number of newcomers as well. The cast will consist of returning players Barbara Ball, Dmitri Freeman, Todd Hutchinson, Laura Carbonneau, and Allison Gibbons. Newcomers to the studio stage will be Kayden Huntley, Gabriel Freeman, Tristen Free, Garret Moore, Harry Valentin, Andrew Sayah, and David Johnson.

Please take the time to

join our team at the Springfield Community Players and support local talent! The continued support of the local community has been fundamental in the growth and success of the Springfield Community Players. Many changes have been made and a number of updates have been made to the studio to make the viewing experience more and more enjoyable. And while you're at the studio, please check out the new ramp and awning that has been installed. None of this
